

1. Start by switching off the cell phone by pressing the **Power button** for a short while.

2. Afterwards press and hold **Volume Up + Power** at the same time for a few seconds.

3. You can release held keys when you see an Android icon.
4. Use **Volume buttons** to select "**wipe data/factory reset**" and tap the **Power button** to confirm.

5. Afterwards choose "**yes**" from the menu, and accept it with **Power button**.
6. When the Recovery Mode appears again on the screen select "**reboot system now**" by using **Power button**.
7. Success! The hard reset has just been performed.
