Charging Case
In the Box
The box contains the OPPO Enco W11 True Wireless Headphones, the USB-C cable, S, M, L size ear tips (the size M ear tips are mounted on the earbuds), the Quick Start Guide, and the warranty card.

Bluetooth Pairing

1. When using for the first time, open the Charging Case and the earbuds will start pairing automatically.
2. Turn on Bluetooth on your device:
   - Normal Pairing: On the Bluetooth interface, search and select "OPPO Enco W11".
   - Quick Pairing: Hold near unlocked OPPO phone, then follow the onscreen instructions.
   ※ Not all models support quick pairing. For details, please visit www.oppo.com.

Automatic Connection

After the pairing record has been recorded, open the Charging Case, then the earbuds will connect to your device automatically. If the connection fails, the earbuds turn to pairing mode.

Pairing with Other Devices

Disable Bluetooth feature on your device, the earbuds will start pairing automatically, the earbuds then are available for pairing with a new device.

Charging

Check Charge Status
The Indicator shows charge status of the earbuds when they are in Charging Case. Otherwise, the Indicator shows charge status of the Charging Case. The indicator color indicates the battery level, red indicates low battery, yellow indicates medium power, and green indicates high battery.

Charge the Earbuds
The earbuds charge while in the Charging Case and the lid close.

Charge the Charging Case

Use the USB-C cable to charge the Charging Case. The Indicator will light up when charging.

※ If there is sweat or liquid on the Charging Contacts, clean them before charging. Otherwise corrosion and damage may occur.

※ The earbuds and the Charging Case could be damaged when they are out of battery for over 2 months, please charge in time.
